**Title:** Trends in Biosciences Research
**ISSN / E-ISSN:** 30807719, 30807727
**Permission Request:** PR-00056561
**Publisher:** BIOMED INSTITUTE FOR SCIENTIFIC RESEARCH (SMC-PRIVATE) LIMITED

Dear Content Partner,
Congratulations on having your title accepted for coverage into selected Elsevier products and services, including its AI features. Please allow me to introduce myself. My name is Sharmila Kirouchenadassou and I will be your Publishing Relations Manager. Now that your title has been officially accepted for indexing, I will be your primary contact. My role is to ensure our relationship runs smoothly and that your title is properly showcased in our Elsevier products.

To learn more about us, visit: www.elsevier.com/publisher-relations

**What happens next?**

As we configure your title in our internal systems, for efficient processing and indexing in Elsevier products, you will soon receive a request to fill in a form with the details of the permission signer and specify your preferred content delivery method, this will enable us to update our databases with your details and ensure a faster and smoother onboarding experience.

Sincerely,
Sharmila Kirouchenadassou
Publishing Relations Manager I
